# POLY FURNITURE 2021

produced by: **PONVUE**  
CREATIONS, LLC

## *Durable Quality with Lifetime Beauty*

### **What is Poly Furniture?**

- Made from recycled polyethylene (like milk jugs)
- Poly lumber will not crack, rot or splinter
- Never needs painting or refinishing
- Is UV stabilized to resist fading
- Can be left outside year round without harming it
- Should last a lifetime

### **Our Features:**

- Our furniture is assembled using stainless steel bolts and screws
- All lawn furniture comes standard with cup holders in both arms, but can be ordered without. All dining furniture comes standard with no cupholders, but can be ordered with at no charge.
- Stainless swing chains have an 800 lb. rating
- All 4' and 5' swings, gliders and benches have heavy duty aluminum angles for stiffener supports
- Back angles are powder coated for added longevity and beauty
- We use poly glider hanging arms assembled using double stainless bearings at hinge points. This provides a more heavy duty and smoother glide.
